I. E. PROJEK SENDIRIAN BERHAD

The above said Kitchen Equipment Specialist has completed our project for the Ministry of Defence Malaysia worth \$ 270,000-00. In the execution of the works we found that they are very cooperative and they could complete their works within the contract period and to our satisfaction.

I.E. Projek Sdn Bhd has also completed the Kitchen Equipment Installation for Maktab Rendah Sains Mara, Terendak Kem, Melaka which was abandoned by Messrs Hakasa Sdn Bhd. The said works was done in the record time to enable the project to be handed over to Maktab Rendah Sains Mara.
