TO WHOM IT MAY CONCERN

On behalf of the Hotel Istana Kuala Lumpur, I certify that IE Candid Sdn Bhd, was the main contractor for Stainless Steel works as well as the supply, delivery and installation of the kitchen Equipments during the pre-opening period of the Hotel.

I have no hesitation to recommend IE Candid to anyone requiring similar services in a similar environment.

I have found the staff of IE Candid to be very dedicated and responsible in their work, completing their tasks on schedule while maintaining a high level of workmanship.

This testimonial is written after successful completion of the contracted works to IE Candid Sdn Bhd.
