TO WHOM IT MAY CONCERN

This is to certify that IE Projek Sdn Bhd. undertook the contract for the supply, delivery, installation, testing and commissioning of Kitchen Equipment for TUDM - Subang.

We are particularly satisfied on the Zanussi Ranges of Equipment installed for the above project for the price we are paying coupled with the prompt after sales service provided by the well-trained technicians.

Throughout the execution of the works, they have fully complied to the specification and complete the project to our satisfaction.

In this, we have no hesitation to recommend to anyone who require their professional services.

Yours faithfully,
OOI BOK KHOON & CO
