## **TESTIMONIAL**

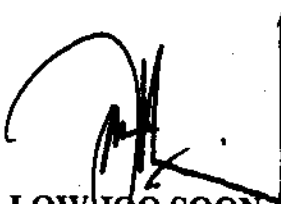

This serves to certify that IE Welbuilt Sdn Bhd, undertook the contract for the supply, delivery, installation, testing and commissioning of Kitchen Equipment for Holiday Inn Batam, Indonesia. The original contract value is S\$808,186.00 adding the V.O.'s amount of S\$118,859.20, the total contract is valued at S\$927,045.20 (Singapore Dollars Nine Hundred Twenty Seven Thousand Forty Five and Cents Twenty only).

From the initial negotiation till the Hotel's opening, I find them to be very efficient and knowledgeable in their specialized field. Their project team has not only performed the work in accordance with specifications and also very co-operative and responsive.

Therefore, I have no hesitation to give our strong recommendation to any company which may require their services.

This testimonial is written after the successful completion of the contracted work to IE Welbuilt Sdn Bhd.

Yours faithfully  
PT Hean Yi Marina Perkasa
