TO WHOM IT MAY CONCERN

This letter serves as a confirmation that IE Projek Sdn. Bhd. was the specialist contractor for the supply and installation for the entire Food Service Facilities in the Shangri-La Hotel, Kuala Lumpur.

Total contract value was more than Malaysian Ringgit, three million (M\$3,000,000.00) and we would like to compliment them on a job, well done.

The whole installation was completed to specification and we find them not only knowledgeable in their own rights but also very helpful, co-operative and responsive.
