To Whom It May Concern:

IE Welbuilt Sdn Bhd was awarded the supply, installation, testing and commissioning of the Kitchen Equipment at the following areas in Kuala Lumpur Shangri-La Hotel renovation in the year 2001/2002.

- Lafite Restaurant
- Zipangu Restaurant
- Horizon Lounge
- Coffee Garden
- Back of House Kitchen

The total contract sum was registered as RM 3.2 Million.

All along, they have demonstrated their ability to complete the contracts to our satisfaction. The project team (Mr. Steven Tan / Mr. James Tong) is knowledgeable and helpful.

All the above contracts were completed within the stipulated time frame.

As such I have no hesitation in considering them for further works in the future.

Yours truly,
