To Whom It May Concern

This serves to confirm that I E Projek Sdn. Bhd. are currently executing the contract for the supply and installation of both the kitchen and Laundry equipment in the Penang Parkroyal.

From the initial negotiation of the contract till this date, I find them to be very efficient and knowledgeable in their specialized field. I E Projek's skilled team assisted in fine tuning layout, and equipment after the contract award.

As requested, I hereby confirm that most of the Southern Pacific Hotel chain are currently using the "Zanussi" equipment. We find them reliable and we are especially pleased with the all round stainless steel finish.

I have no hesitation in recommending the Zanussi sole agent, I E Projek to any company which may require their services.
