

TO WHOM IT MAY CONCERN

This is to certify that M/s I.E.Projek Sdn. Bhd. has supplied and installed all the laundry and kitchen equipment in SUBANG VIEW HOTEL.

Throughout the project and warranty period they have been doing their work satisfactorily and efficiently. Their back-up service deserved to be commended for their quick follow-up action.

To the best of my knowledge they have the necessary skilled technicians to carry out all the above work efficiently. I.E.Projek have been in the market for only a few years, but they have built up a reputation as one of the best leading kitchen equipment and laundry supplier in Malaysia.
